Registration/Cancellation/CE Credits

The number of registrations is limited for each course, and registration is accepted on a first-come, first served basis. Full tuition payment must accompany all registration forms. Upon receipt of this registration form and tuition fee, Osstem will send you written confirmation.

Confirmed registrants who are unable to attend the course can obtain a refund by notifying Osstem in writing no later than 14 days prior to the course date. Cancellations past that date will be subject to an additional penalty. Osstem reserves the right to cancel a course no later than 14 days prior to the course date. Please be aware that Osstem is not responsible for reimbursement of a non-refundable airline ticket or any other travel expenses in the event that a course is canceled.

Continuing education credits awarded in the United States for participation in the CE activity may not apply toward license renewal in all states, countries or provinces. It is the responsibility of each participant to verify the requirements of their state, country or province.

“A Discussion of Periodontal Prosthesis”

Date: March 13, 2008

Time: Registration and dinner: 5:30-7PM;
Lecture: 7-9PM

Location: Margaret Kuo’s
175 E Lancaster Ave
Wayne, PA 19087
610.688.7200

Cost: $50, includes dinner and lecture

CE Hours: 2
About the Speakers

Dr. Morton Amsterdam is Professor Emeritus of Periodontal Prosthesis, as well as Norman Vine Professor of Restorative Dentistry, at the University of Pennsylvania. He is also Clinical Professor of Surgery at the Medical College of Pennsylvania, Hahnemann University. Dr. Amsterdam has received numerous awards from national and international organizations for his contributions to dentistry, including honorary degrees from University of Goteborg, Sweden, and University of Athens, Greece, as well as from Dickinson College, USA.

Dr. Steven Liu earned his DMD from University of Pennsylvania, School of Dental Medicine. Dr. Liu pursued post-graduate specialties in Periodontics, Periodontal Prosthesis and fixed Prosthodontics as well as Implant Surgical and Prosthetic training. Dr. Liu’s clinical research activities focus on periodontal prosthesis concepts and implant dentistry, including aesthetic and anatomy concerns for implant surgery and prosthesis. He is a member of the American Dental Association, Pennsylvania Dental Association, American Academy of Periodontology and the Academy of Osseointegration.

Lecture Topics

Dr. Morton Amsterdam

Periodontal Prosthesis—50 Years in Retrospect

Dr. Steven Liu

The Impact of Osseointegrated Implants as an Adjunct and Alternative to Conventional Periodontal Prosthesis

Learning Objectives

• Describe how to apply the periodontal prosthesis philosophy, concepts, principles and techniques to the implant supported prosthesis.

• Discuss sequence of therapy in periodontal/implant prosthesis

• Explain the major difference in treatment planning between the past and the present.
