Registration/ Cancellation/CE Credits

The number of registrations is limited for each course, and registration is accepted on a first-come first-serve basis. Full tuition payment must accompany all registration forms. Confirmed registrants who are unable to attend the course can obtain a refund by notifying Dr. Liu no later than three (3) days prior to the course date. Cancellations past that date will not be refunded. Dr. Liu reserves the right to cancel the course no later than seven (7) days prior to the event.

CE credits awarded in the United States for participation in the CE activity may not apply toward license renewal in all states, countries, or provinces. It is the responsibility of each participant to verify the requirements of the state, country, or province.

Dr. Sam Kratchman

Dr. Sam Kratchman was born and raised in New York. He received a B.S. in Biology and a D.M.D. both from Tufts University in Boston, Massachusetts. Sam then entered the University of Pennsylvania, where he received a certificate in endodontics, and currently serves as an Associate Professor of Endodontics and the Assistant Director of Graduate Endodontics, in charge of the microsurgical portion of the program. Dr. Kratchman has authored several articles and chapters on endodontics and intentional replantation for the *Microsurgery in Endodontics* textbook, and the *Dental Clinics of North America*. He also developed a patented instrument called the S Kondenser for the obturation of root canals. He serves as the District I Director for the American Association of Endodontists. Both *Main Line Today* and *Doctor of Dentistry* magazines honored Dr. Kratchman as the cover story for their "Best of " issues.

Dr. Allen Yang

Dr. Allen Yang earned his DMD and certificate in Endodontics from the University of Pennsylvania, School of Dental Medicine. He was named top endodontist by peer review in northern Virginia in 2006 when he lived and practiced in the Washington DC area. He now practices with Dr. Kratchman in Exton and West Chester, PA and remains active academically as clinical assistant professor at University of Pennsylvania, Department of Endodontics.

I. Endo/Perio Lesions

Understanding how the different specialists interact with each other and demonstrating the different classifications by showing cases.

II. Retreatment of Endodontic Failures

1. Retreatment of endodontic failure with tips as to how the generalists can treat some of these cases in their private offices
2. Perforation repairs with MTA, and/or other special cases
